All filling and grading to be done at the expense of said railway Company.

Lafayette Road.

Starting at the line between Hampton and North Hampton, near the residence of William S. Brown, and thence in a southerly direction on the west side, and parallel with the said Lafayette road over bridge of Boston & Maine R.R. to a point on the line of Exeter Street Railway near the town pump, said road to be built independent of the present road bed except when

it is necessary to encroach upon the same, and in all such cases the Co. are to grade off on the opposite side so that the road bed shall maintain its present width.

Starting at a point in the present railway track near the north west corner of C. G. Toppan's field going in a southerly direction on the east side of the street, between said street and a row of shade trees to a point in the northern boundary of land owned by Misses L^a M. Mace.

Starting again from a point on the southern boundary of said land, continuing on north side of road and crossing said road at a point in front of the residence of H. W. Emery, thence continuing on the south side of road and over the B. & M. railway to the turnpike; said track to be independent of the present roadbed and on the same grade with it; thence across the turnpike on the east side of the street to bridge, the track to be on one side as far as possible and to be graded to the height of one foot; thence across the east side of the bridge, outside of the present railing as far as possible, said bridge to be widened, strengthened and kept in repair by said railway company; thence on the east side of road to boundary line between Hampton and Hampton Falls, the track to be independent of the present road bed as far as possible and on the same grade with it. Also starting at a point in the Exeter Street Ry. near the town pump and running in an easterly direction along the new road to a point near the Shoe Factory.

The construction of said railroad shall be on the same grade as the existing highway, excepting on the turnpike, and shall in no way injure or interfere with shade or ornamental trees, water courses, foot paths or sidewalks now in use. Pursuant to the foregoing warrant a meeting of the legal voters of the town of Hampton was held at the Town Hall in said town on Tuesday, the eleventh day of April, 1911, at fifteen minutes past two o'clock in the afternoon and was called to order by the moderator of the town, who read the warrant calling said meeting, and, after discussion, the following Preamble and Resolution was adopted, and substituted for Articles 1, 2 and 4 in the warrant:

Whereas, There was addressed to the Selectmen of Hampton a petition requesting the issuance of a call for a special town meeting, and inserting therein for action at said meeting, subject matter of a nature to reflect unduly upon the official administration of the town's business by the selectmen for the fiscal year ending February 15th, 1911, and whereas the special town meeting was called in pursuance of the request contained in the petition, and is now being holden.

Now therefore, be it resolved that it is the sense of the meeting that the selectmen have accounted for all moneys received and all moneys expended by them during the fiscal year ending Feb. 15th, 1911, and that for their careful, faithful and conscientious discharge of their duties the past year, they are entitled to a vote of thanks, and of confidence in their ability and honesty, and to that end, it is ordered, that the petition asking for the call of the special town meeting be expunged from the records of the town of Hampton.

Voted That a committee of three be appointed to be called the Committee on Appropriations, the chairman of which shall be the Chairman of the Board of Selectmen, whose duties shall be to recommend the amounts to be raised for the year 1912, and report in time for printing in the town accounts.
Abbott Norris and Thomas Leavitt were elected as the other members of the above committee.

Voted - To indefinately postpone Articles 6.7.8 and 9, in the warrant.

Voted - That Article 10, be left with the selectmen

Voted - That Article 11, be indefinately postponed.

The following Resolution was adopted.

Resolved That it is the opinion of this meeting that the selectmen ought not to expend money in excess of the sum voted for any particular purpose nor for any purpose other than that for which it has been appropriated, nor borrow money on notes of the town without first having authority to do so by a vote of the town.

Voted - That the resignation of Christopher S. Toppan as selectmen be not accepted.

Voted - That the matter of licensing vendors of pop corn, ice cream &c, at the beach be left with the selectmen

The following amendment to the Regulations for the digging of clams was then passed.

In the following regulation passed at the last annual town

meeting to regulate the digging of clams. Strike out the words "more than one bushel" between the words "family" and the word "clams", and strike out the words "in any one calendar day" between the word "clams" and the word "from", and insert before the word "resident" the word "bona fide", so that the regulation, as amended will read,

"That no person, not a bona-fide resident of Hampton shall dig, except for the consumption of himself, or family, clams from the flats, shores, creeks or rivers situated within the boundaries of said town of Hampton and subject to State jurisdiction."

Voted - That an attested copy of the records of this meeting be printed in the Exeter News-Letter and Hamptons Union.
